Mrs. Twyford was a graduate of Hampton High School, Madison College in Harrisonburg, Virginia and did her Masters work at the College of William and Mary. She served as a teacher at Fort Monroe Elementary School, Phoebus Elementary School, Buckroe Junior High School, George Wythe Junior High School. She also served as guidance counselor at Jefferson Davis Junior High School, and principal of Phoebus Elementary School and Cooper Elementary School until her retirement on June 30, 1996, after forty years of service. Mrs Twyford also served as president of the Hampton Education Association. She was active on numerous committees dealing with curriculum and instruction and always had the best interest of her children at heart.

She served as member of Board of Directors of the Virginia Credit Union League and also the Board of Directors of CUNA International. She received an award in 1959 from the Virginia Credit Union League for her outstanding accomplishments in behalf of the League during that year.

In her honor, the Laura W. Twyford Memorial Scholarship was implemented in the year 1991 by the Hampton Roads Educators' Credit Union to encourage outstanding high school graduates to pursue teaching careers at the preschool, elementary, or secondary level. Under this program, scholarships will be awarded on a competitive basis to such qualified Virginia residents who rank within the top 30% of their high school graduating class, plan to enroll for full-time study in a program at an eligible Virginia public or private, four year college or university which leads to teacher certification.

It is important to note that should a student who receives this scholarship not secure employment as a teacher upon graduation; the scholarship funds must be repaid (with interest) under the provisions agreed to upon completion and submission of application.

Before completing the loan application, students should review the terms and conditions of the loan agreement as outlined in the attached information.
