

**Gloria Winder, Retired Williamsburg/James City County School District**

Ms. Winder has served on board for the past 19 years. She currently serves on the credit union policies and personnel policies committees. She retired in 2017 from the Williamsburg-James City County School System. She has been a member since 1980. She currently serves as secretary of the board.

**Kimberly Sharpe, Human Resources Coordinator, Hampton City Schools**

Ms. Sharpe has served as a teacher and building administrator for 32 years in both West Virginia and Virginia. For the past four years, Ms. Sharpe has served in human resources assisting teachers with licensure and developing the Grow Your Own Program for Teachers in Hampton City Schools, encouraging individuals to enter the profession.

Ms. Sharpe worked closely with the Student Run Branch at Hampton High School and is looking forward to participating on a larger scale to strengthen the school-business connection. She was first appointed to the board in 2019.

**Anita Holley, Retired, Eastern State Hospital and Currently at Hampton City Schools**

Ms. Holley was elected to the board in 2015 and has also served as Building Ambassador. She has worked in Hampton City Schools as a Special Education Teacher. She currently serves on the Budget, Education and Personnel Policies Committees. She feels that her contacts with the community, and the experience that she has as a therapist makes her an asset to the Credit Union's Board of Directors, and now that she is back in the school system, she wants to continue to help shape and interact with the younger generation to have some type of positive effect. She has always been a credit union advocate and assisted at functions in the past. She has been a member for over 30 years.
